PROFILE SUMMARY

I am a highly motivated and skilled Front-End developer with proficiency in React.js, Redux.js, HTML, CSS, Node.js, WordPress, Git, GitHub, Vue.js, MongoDB, and SQL. With a proven track record of delivering visually appealing and user-friendly projects, I am committed to continuously learning and improving my skills. My strong problem-solving skills and ability to work collaboratively with cross-functional teams make me an asset to any project or team. Proficient in Turkish (native), English (upper intermediate).
